

Notice of Tailored DP Simulator Training Course

Thank you for your continued support of MOL DPTC training courses.

MOL DPTC is pleased to offer a customized training course that provides participants with hands-on experience using a Dynamic Positioning (DP) Class A Simulator for training purposes.

Course Details

- 1) Course Title: Customized DP Simulator Familiarization Course (1 day / 2 day)
- 2) Prerequisites: Completion of the DP Basic Course or DP Induction Course is recommended.
- 3) Number of Participants: Minimum: 2 participants Maximum: 4 participants
- 4) Course Duration: 09:00 - 17:00 (Including a one-hour lunch break and short refreshment breaks)
- 5) Course Schedule To be arranged upon consultation.
- 6) Course Fee: 1 day: JPY 150,000 per day (excluding consumption tax).
2 days: JPY 250,000 per day (excluding consumption tax).
- 7) Instructor: DP Instructor
- 8) Additional Information:

To allow sufficient time for course preparation, participants are requested to provide details and characteristics of the vessel no later than two months prior to the course commencement date.

We will make every effort to meet your requests; however, please understand that we may not always be able to do so.

Any changes to the information provided will be announced on our website.

Sincerely,

MOL DP Training Center Tokyo, Japan
